Training Leaders through Academic Excellence

As a school, we celebrate each student’s uniqueness and provide opportunities for students to grow in their God-given gifts, talents, and personality so they can understand their role in today’s world, equipped for kingdom service (Prov. 2:1-5).

Our Goals

We Will

- Provide the tools, the inspiration, and the guidance that encourages your child’s complete engagement in innovative, 21st-century learning.
- Promote the mastery of foundational skills in phonics, mathematics, reading, and writing.
- Support each child in building healthy self-esteem, as well as respect for others.
- Give children the freedom to move and engage physically with their environment through project-based learning.
- Challenge students to think biblically about God, themselves, and the world around them.
Plumstead Christian School does not discriminate on the basis of race, color, national or ethnic origin, sex, or age in the administration of its educational policies, admission policies, financial assistance programs, and athletic and other school-administered programs.
